

STOP LITTERING

STOP LITTERING IS EASY!

-  To schedule surgery, call People For Animals at (973)282-0890, Ext. 501, to make an appointment. The receptionist will ask you some questions about your pet to determine if your pet should be seen by their veterinarian before scheduling surgery. Surgery will then be scheduled and you will be given pre-operative instructions. To streamline the process, you may fill out their on-line appointment request form (<http://members.petfinder.com/~NJ17/requestappointmentform.htm>). (NOTE: Exam, rabies and distemper vaccinations, injectible antibiotics and pain control as indicated, tattoos on females and medical waste disposal are all included in the certificate package. PFA offers other low-cost procedures, such as micro-chipping, which you are welcome to take advantage of at your expense.)
-  On the day of surgery, owners with DOGS should arrive between 7:15AM and 7:45AM and owners with CATS should arrive between 8AM and 8:30AM. Your pet will receive vaccinations (if appropriate) and the surgery will be performed. All dogs must be on a leash and cats should be in HARD plastic carriers. PLEASE ADVISE THE RECEPTIONIST THAT YOU HAVE A COMPANION ANIMAL ADVOCATES' SPAY/NEUTER CERTIFICATE UPON ARRIVAL, BEFORE THEY RING UP ANY CHARGES.
-  Pick up your animal the same day between 5PM and 5:30PM. You will receive post-operative instructions at that time. No pets remain overnight at the clinic.
